

ABSOLYTE[®] GP

LIMITED WARRANTY

Exide Technologies Industrial Energy ("Exide"), a division of Exide Technologies, warrants to the Original User ("User"), subject to the Conditions and Limitations described below, that an ABSOLYTE GP stationary battery, when used within the United States, Mexico, Central America and Canada in full float service ("Covered Battery") will be free from defects in materials or workmanship for a period beginning on the date of shipment and proceeding for the time stated in Table A ("Warranty Period"). Exide also warrants to the User, subject to the Conditions and Limitations described below, that a Covered Battery will furnish at least 80% of its rated capacity during the Warranty Period. The User shall promptly report any alleged failures to meet these warranties to Exide and permit examination by Exide authorized personnel. If Exide finds the Covered Battery has failed to meet these warranties during the Warranty Period, Exide will, at its option, either repair the Covered Battery or provide a replacement, FOB Exide's factory.

Note: See Section 12.66 for Photovoltaic warranty.

Float Application	Warranty Period (Years)
Telecommunications/Utility Switchgear	7
UPS/Other	5

CONDITIONS

1. The Covered Battery must be handled, stored, and installed in accordance with Exide's published instructions for the Covered Battery.
2. The Covered Battery must be operated and maintained in a temperature controlled environment between 70°F and 80°F using an approved full-float, voltage regulated charger with temperature compensated charge voltage per the Exide Installation & Operations manual.
3. Capacity or performance testing shall be performed in accordance with IEEE recommended practices and subject to requirements as stated in the Exide Installation and Operations manual.
4. Customer shall maintain complete annual records regarding the temperature, voltage, conditions of use, and maintenance performed, including initial charge and equalize charging, as per the Exide Installation and Operations manual and must promptly provide these records to Exide upon request. User shall also promptly report any alleged defects to Exide, and permit examination of the batteries by its service personnel.
5. Repairs or modifications made to the battery without prior written consent of Exide will void this Limited Warranty. In no event shall the User return the Covered Battery to Exide's factory without Exide's prior authorization. The replacement battery and/or parts shall only complete the remaining unused portion of this Limited Warranty of the replaced battery. This Limited Warranty applies to the original user only, and does not apply if battery system is moved from original point of installation.
6. For the first year of this Limited Warranty, this warranty will cover all labor, and all transportation and shipping charges within the United States, Mexico, Central America and Canada only, for all repair work and for the shipment of replacement batteries or parts covered by this warranty. After the first year, and for any transportation or shipping charges outside the United States, Mexico, Central America and Canada at any time, the User will be responsible for all such charges. If instructed by Exide, User must return all defective batteries or parts to Exide at User's expense, except such expense will be covered by this Limited Warranty for the first year for transportation and shipping within the United States, Mexico, Central America and Canada. User may not return defective batteries or parts to Exide's factory without Exide's prior authorization. Upon return by User, User releases to Exide all title and interest with respect to the returned battery or parts.

LIMITATIONS ON LIMITED WARRANTY

This Limited Warranty is the only warranty provided by Exide or Exide Technologies. THE RIGHTS AND OBLIGATIONS SET FORTH IN THIS DOCUMENT ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING THE WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. This Limited Warranty may not be assigned or transferred by the User and it sets forth the exclusive remedy for all claims, damages, or losses arising out of defect in or failure of any Covered Battery. In no event shall Exide or Exide Technologies be liable for consequential or incidental losses or damages under any theory of liability, except to the extent that this limitation is found to be unenforceable under applicable state law. Some states do not allow the exclusion or limitation of incidental or consequential damages, so this exclusion may not apply to you. This Limited Warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.
